### **Board of Regents**

# Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Monday, May 19, in the Board of Regents' conference room, 1000 S.W. Jackson, Suite 520, Topeka, to consider the adoption of new rules and regulations relating to the Kansas Foster Care Tuition Waiver Program, established by the 2002 Legislature in K.S.A. 74-32,161.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on these proposed rules and regulations. All interested parties may submit written comments prior to the hearing to Shery Smith, State Board of Regents, 1000 S.W. Jackson, Suite 520, Topeka, 66612-1368. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Shery Smith at (785) 296-3689.

Copies of the regulations and the economic impact statement may be obtained by contacting Shery Smith.

In summary, the regulations **K.A.R.** 88-25-1 through 88-25-7 establish the following rules: (1) definitions for the Foster Care Tuition Waiver Program regulations; (2) eligibility criteria for foster care children applying for waivers under the program; (3) directions for postsecondary institutions regarding the selection of applicants for initial waiver awards; (4) the number of waivers available at each institution; (5) what happens to funding in the event available funds are insufficient to fund all awarded waivers; (6) a description of part-time work status required of eligible applicants by the statute; and (7) eligibility criteria for subsequent years.

The anticipated economic impact on the board is not quantifiable because although additional staff responsibilities are created, those responsibilities will be handled by current staff. Similarly, participating educational institutions, the Division of Accounts and Reports, and the Department of Social and Rehabilitation Services will

have new staff responsibilities related to this program. SRS will reimburse institutions for participants' tuition with the federal Chafee Foster Care Independence Grant moneys appropriated to it by the Legislature. The estimated fiscal impact, assuming all waivers are filled for all participating institutions, is \$461,856 per academic year.

Applicants for the program will have some negative economic impact because they will be responsible for completing the application and meeting continuing eligibility requirements. However, participants will be eligible for up to eight semesters of undergraduate post-secondary education without payment of tuition and fees. The program is set to expire June 30, 2006.

#### **Governmental Ethics Commission**

#### **Opinion No. 2003-01**

Written January 16, 2003, to Jason Janssen, Director, Linn Valley Lakes Property Owners Association, Linn Valley.

This opinion is in response to your letter of November 22, 2002, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the local conflict of interest law (K.S.A. 75-4301 *et seq.*). We note at the outset that the Commission's jurisdiction concerning your question is limited to the application of K.S.A. 75-4301 *et seq.* Thus, whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

#### **Factual Statement**

We understand that you are requesting this opinion in your position as the Director of the Linn Valley Lakes Property Owners Association (POA). You have explained that the POA was created in 1978 and is currently comprised of 3,200 members. A person becomes a member by purchasing land within the boundaries of the POA. All land for sale within the boundaries of the POA carries a covenant that runs with the land requiring the owner to be a member of the POA. Some members of the POA are resident members who live full-time within the POA and others are considered "non-resident" members who own land but who do not reside all year on that land. The members pay a yearly assessment which is currently set at \$320.00. The POA does not have an ownership interest in the members' land, but it does own common land and common areas including an 18-hole golf facility, a miniature golf course, a tennis court, and stables. The POA provides repair and maintenance of approximately 55 miles of roads within the POA as well as maintenance of the common areas. In addition, the POA charges fees for additional services such as the provision of water and sewer service. The POA is represented by a board of directors (Board) comprised of 5 members. The Board appoints other POA members to committees that make policy suggestions and enforce the policies of the POA.

The City of Linn Valley (City) was incorporated in 1998, and the city limits mimic the boundaries of the POA with very few exceptions. You have explained that 98% of the City's population lives within the boundaries of the POA. The City is governed by a City Council, and members of the City Council must live within the boundaries of the City. In addition, several members of the City Council or their spouses are employed by the POA. The Board of the POA is currently considering numerous contracts between the City and the POA. These include contracts for the transfer of POA common property to the City and contracts concerning the disposition of property, equipment and other real estate belonging to the POA.

#### Questions

- 1. Would a transfer of land or a lease agreement between the City and the POA constitute a contract pursuant to K.S.A. 75-4301a(g)?
- 2. Does the POA meet the definition of a business pursuant to K.S.A. 75-4301a(b)?

- 3. Do the services performed by the POA in return for the yearly assessment constitute a service provided without reasonable and valuable consideration pursuant to K.S.A. 75-4301a(a)(3)?
- 4. Does a member of the Board of Directors of the POA hold a substantial interest in the POA?
- 5. Does a resident who purchases additional services from the POA have a substantial interest in the POA pursuant to K.S.A. 75-4301a(a)(3)?
- 6. Does a member of a POA committee who is not a member of the Board of Directors hold a substantial interest in the POA?
- 7. Does a resident or non-resident member of the POA who owns more than \$5,000.00 worth of real estate and assets within the boundaries of the POA hold a substantial interest in the POA?
- 8. May an employee of the City, the Mayor of the City, or a member of the City Council who is employed by the POA participate in the making of a contract between the City and the POA?
- 9. May an employee of the City, the Mayor of the City, or a member of the City Council whose spouse is employed by the POA participate in the making of a contract between the City and the POA?
- 10. If, during the process of negotiating a contract between the City and the POA, an employee of the City, the Mayor of the City, or a member of the City Council who had a substantial interest in the POA inappropriately participated in the process of making that contract, may the negotiations continue if such person abstains from future negotiations without tainting the contract or the process?

### Opinion

Employees of the City, the Mayor of the City, and members of the City Council, are governed by the local level conflict of interest laws found in K.S.A. 75-4301 *et seq*. You have asked a number of questions, each of which will be addressed in turn.

1. Would a transfer of land or a lease agreement between the City and the POA constitute a contract pursuant to K.S.A. 75-4301a(g)?

K.S.A. 75-4301a(g) states:

"Contracts" means agreements including but not limited to sales and conveyances of real and personal property and agreements for the performance of services.

Pursuant to this statute, it is clear that an agreement to transfer land or a lease agreement would constitute a contract between the POA and the City.

2. Does the POA meet the definition of a business pursuant to K.S.A. 75-4301a(b)?

K.S.A. 75-4301a(b) states:

"Business" means any corporation, association, partnership, proprietorship, trust, joint venture, and every other business interest, including ownership or use of land for income.

The POA filed Articles of Incorporation with the Kansas Secretary of State's Office on October 2, 1978. Therefore, it is clear that the POA is a business within the definition of the statute.

3. Do the services performed by the POA in return for the yearly assessment constitute a service provided without reasonable and valuable consideration pursuant to K.S.A. 75-4301a(a)(3)?

K.S.A. 75-4301a(a)(3) states:

If an individual or an individual's spouse, either individually or collectively, has received in the preceding 12 months, without reasonable and valuable consideration, goods or services having an aggregate value of \$500 or more from a business or combination of businesses, the individual has a substantial interest in that business or combination of businesses.

Because the members pay a yearly assessment in return for the services rendered, they have not been provided a service "without reasonable and valuable consideration." Therefore the acceptance of these services does not give the members a substantial interest in the POA pursuant to K.S.A. 75- 4301a(a)(3).

4. Does a resident who purchases additional services from the POA have a substantial interest in the POA pursuant to K.S.A. 75-4301a(a)(3)?

The answer to this question is the same as the answer to question number 3 above.

5. Does a member of the Board of Directors of the POA hold a substantial interest in the POA?

K.S.A. 75-4301a(a)(4) states:

If an individual or an individual's spouse holds the position of officer, director, associate, partner or proprietor of any business . . . the individual has a substantial interest in that business, irrespective of the amount of compensation received by the individual or individual's spouse.

Pursuant to this statute, members of the Board of Directors of the POA hold a substantial interest in the POA.

6. Does a member of a POA committee who is not a member of the Board of Directors hold a substantial interest in the POA?

A member of a POA committee who does not hold the position as an officer, director, associate, partner or proprietor of the POA would not have a substantial interest in the POA simply by being on a POA committee.

7. Does a resident or non-resident member of the POA who owns more than \$5,000.00 worth of real estate and assets within the boundaries of the POA hold a substantial interest in the POA?

K.S.A. 75-4301a(a)(1) states:

If an individual or an individual's spouse, either individually or collectively, has owned within the preceding 12 months a legal or equitable interest exceeding \$5,000 or 5% of any business, whichever is less, the individual has a substantial interest in that business.

The POA is a corporation established by Articles of Incorporation. Article 13 of that document states:

Disposition of Assets upon Dissolution. Upon dissolution of the corporation, the assets, both real and personal of the corporation, shall be dedicated to an appropriate public agency or utility to be devoted to purposes as nearly as practicable the same as those to which they were required to be devoted by the corporation. In the event that such dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any nonprofit corporation, association, trust or other organization to be devoted to purposes as nearly as practicable the same as those to which they were required to be devoted by the

corporation. No such disposition of Association properties shall be effective to divest or diminish any right or title of any member vested in him under the recorded covenants and deeds applicable such covenants and deeds.

In addition, Article 11 dictates that the corporation shall not have the authority to issue capital stock. Pursuant to the Articles of Incorporation, the land owners have no ownership interest in the corporation and have no monetary stake in its continued operation, and therefore, do not have a legal or equitable interest in the corporation. Consequently, members of the POA do not have a substantial interest in the POA simply by virtue of their membership.

8. May an employee of the City, the Mayor of the City, or a member of the City Council who is employed by the POA participate in the making of a contract between the City and the POA?

K.S.A. 75-4304 states in pertinent part:

(a) No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial interest.

. . .

- (c) A local governmental officer or employee does not make or participate in the making of a contract if the officer or employee abstains from any action in regard to the contract.
- (d) This section shall not apply to the following:
- (1) Contracts let after competitive bidding has been advertised for by published notice; and (2) contracts for property or services for which the price or rate is fixed by law. (emphasis added).

Pursuant to this statute, an employee of the City, the Mayor of the City, or a member of the City Council who is employed by the POA, may not participate in the making of a negotiated contract between the City and the POA.

9. May an employee of the City, the Mayor of the City, or a member of the City Council whose spouse is employed by the POA participate in the making of a contract between the City and the POA?

K.S.A. 75-4301a(2) states:

If an individual or an individual's spouse, either individually or collectively, has received during the preceding calendar year compensation which is or will be required to be included as taxable income on federal income tax returns of the individual and spouse in an aggregate amount of \$2,000 from any business or combination of businesses, the individual has a substantial interest in that business or combination of businesses.

Pursuant to this statute, if the spouse of the City employee, the Mayor of the City, or a member of the City Council has received \$2,000 in compensation from the POA, the City employee, the Mayor of the City, or a member of the City Council has a substantial interest in the POA. Therefore, pursuant to K.S.A. 75-4304 cited above in question number 8, that City employee, Mayor, or member of the City Council would be prohibited from

participating in the making of a negotiated contract between the City and the POA.

10. If, during the process of negotiating a contract between the City and the POA, an employee of the City, the Mayor of the City, or a member of the City Council who had a substantial interest in the POA inappropriately participated in the process of making that contract, may the negotiations continue if such person abstains from future negotiations without tainting the contract or the process?

There is nothing in the local level conflict of interest laws which answers this question. The Commission recommends that you contact the attorney for the City and or the POA to answer this question.

### Opinion No. 2003-02

Written January 16, 2003, Thomas R. Powell, Hinkle Elkouri Law Firm, L.L.C., Wichita.

This opinion is in response to your letter of January 6, 2003, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the local conflict of interest law (K.S.A. 75- 4301 *et seq.*). We note at the outset that the Commission's jurisdiction concerning your question is limited to the application of K.S.A. 75-4301 *et seq.* Thus, whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

#### **Factual Statement**

We understand that you are requesting this opinion in your capacity as the attorney for Harper County, Kansas (County). For perspective, you have explained that Waste Connections of Kansas, Inc. (Waste Connections) submitted a request for re-zoning of a certain tract of land to the County Commission. Although the County/Cities Joint Planning Commission recommended denying the zoning request, the County Commission approved Waste Connections' zoning request.

In addition, you have informed us that a recall petition was brought against Robert Sharp in his capacity as a County Commissioner. Commissioner Sharp hired a lawyer and successfully enjoined the petitioners from holding a recall petition.

Waste Connections has now approached the County with an offer to donate to the County sufficient funds to cover the attorney fees incurred by Commissioner Sharp in his challenge to the recall petition. This donation would be made with the stipulation that the funds be paid directly to the attorney. You have informed a member of our staff that you believe that the County would have the authority to pay Commissioner Sharp's legal fees if the County so choses.

#### Question

If the County accepts the donation by Waste Connections, will Commissioner Sharp have a substantial interest in Waste Connections?

#### **Opinion**

In his capacity as County Commissioner, Mr. Sharp is governed by the local level conflict of interest laws found in K.S.A. 75-4301a. That statute states in pertinent part:

(a) "Substantial interest" means any of the following: (1) If an individual or an individual's spouse, either individual

ually or collectively, has owned within the preceding 12 months a legal or equitable interest exceeding \$5,000 or 5% of any business, whichever is less, the individual has a substantial interest in that business.

- (2) If an individual or an individual's spouse, either individually or collectively, has received during the preceding calendar year compensation which is or will be required to be included as taxable income on federal income tax returns of the individual and spouse in an aggregate amount of \$2,000 from any business or combination of businesses, the individual has a substantial interest in that business or combination of businesses.
- (3) If an individual or an individual's spouse, either individually or collectively, has received in the preceding 12 months, without reasonable and valuable consideration, goods or services having an aggregate value of \$500 or more from a business or combination of businesses, the individual has a substantial interest in that business or combination of businesses.
- (4) If an individual or an individual's spouse holds the position of officer, director, associate, partner or proprietor of any business, other than an organization exempt from federal taxation of corporations under section 501(c)(3), (4), (6), (7), (8), (10) or (19) of chapter 26 of the United States code, the individual has a substantial interest in that business, irrespective of the amount of compensation received by the individual or individual's spouse.
- (5) If an individual or an individual's spouse receives compensation which is a portion or percentage of each separate fee or commission paid to a business or combination of businesses, the individual has a substantial interest in any client or customer who pays fees or commissions to the business or combination of businesses from which fees or commissions the individual or the individual's spouse, either individually or collectively, received an aggregate of \$2,000 or more in the preceding calendar year.

If the County has the authority and assumes the obligation to pay for attorney's fees associated with a recall election against a County Commissioner, then the gift from Waste Connections would be a gift to the County and not a gift to Commissioner Sharp. Therefore, Commissioner Sharp would not have a substantial interest in Waste Connections by virtue of Waste Connections' gift to the County.

If, on the other hand, the County does not have the authority or refuses to assume the obligation to pay for attorney's fees associated with a recall election against a County Commissioner, then the gift from Waste Connections would be a gift to Commissioner Sharp. Because Commissioner Sharp may use his campaign funds to pay for expenses associated with a recall election (see Commission Opinion 1999-13), the gift from Waste Connections would be considered a campaign contribution. Pursuant to K.S.A. 25-4153(a)(2), Waste Connections would be prohibited from contributing more than \$500 per election cycle. Therefore, Commissioner Sharp could accept a campaign contribution from Waste Connections in the amount of \$500. The acceptance of such a contribution would not constitute a gift pursuant to K.S.A. 75-4301a(3).

#### **Request for Comments**

The Kansas Department of Health and Environment is soliciting comments regarding two proposed air quality permits. Meier's Ready Mix, Inc. has applied for a construction permit in accordance with the provisions of K.A.R. 28-19-300 and a Class II operating permit in accordance with the provisions of K.A.R. 28-19-540. Emissions of particulate matter (PM) and particulate matter equal to or less than 10 microns in diameter (PM<sub>10</sub>) were evaluated during the permit review process. The purpose of a Class II permit is to limit the potential-to-emit for these pollutants to below major source thresholds.

Meier's Ready Mix, Inc., Topeka, owns and operates a portable concrete batch plant.

A copy of the proposed permits, permit applications, all supporting documentation and all information relied upon during the permit application review process is available for public review for a period of 30 days from the date of publication during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka; and at the Shawnee County Health Agency, 1615 W. 8th, Topeka. # Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Tuesday, April 15, in the training room of the Kansas Department of Agriculture, 109 S.W. 9th, Topeka, to consider the adoption of proposed changes in existing pesticide rules and regulations.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Agriculture, 109 S.W. 9th, 4th Floor, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

These regulations are proposed for adoption on a permanent basis. A summary of proposed regulations and their economic and environmental impact follows:

**K.A.R. 4-13-1.** This proposed regulation adds definitions to the law for administration of K.A.R. 4-13-1 et seq. The definition of a "restricted pesticide" that exists in the present version of K.A.R. 4-13-1 would remain, but be supplemented.

K.A.R. 4-13-2. This proposed regulation modifies the requirements regarding the application for a pesticide business license.

**K.A.R. 4-13-4a.** This proposed regulation modifies the requirements for written contract or statement of services prepared by a licensee.

**K.A.R. 4-13-6.** This proposed regulation modifies the requirement of the marking of vehicles by a licensee.

**K.A.R. 4-13-7.** This proposed regulation modifies termite control application procedures.

**K.A.R. 4-13-26.** This proposed regulation modifies the requirements for a preconstruction application of pesticide for termite control.

There will not be an economic impact on other government agencies. The economic impact to the regulated community is thought to be minimal. These revisions enhance the consumer and commercial applicator's abilities to monitor pesticide usage, thus reducing the pesticide product exposure to the environment.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic and environmental impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Leslie Garner at (785) 296-4623 or fax (785) 368-6668. #### **Notice of Hearing**

The Kansas Department of Health and Environment has received and reviewed a permit application from Vilela C&D Landfill, L.L.C. to construct and operate a construction and demolition landfill in Crawford County. A public comment period was held October 28-November 27, 2002, during which written comments relating to the proposed permit were received. During the permit review period, the current Vilela-operated landfill, V&F Trucking and Hauling Landfill, KDHE Permit 643, was operating under a KDHE consent agreement and final order issued November 15, 2001. On January 10, 2003, KDHE issued an order denying the Vilela C&D Landfill, L.L.C. permit, based on alleged noncompliance with Kansas solid waste statutes and regulations at the V&F Construction and Hauling Landfill during the permit review period. The applicant appealed the order, and after negotiations between Vilela C&D Landfill, L.L.C. and KDHE, the parties have agreed to continue the permit review process.

A public hearing will be conducted at 6:30 p.m. Monday, March 17, at the Pittsburg Public Library, 211 W. 4th, Pittsburg. Preceding the hearing, an informational meeting will be held at 5:30 p.m.

A copy of the administrative record, which includes the draft permit, permit application, engineering drawings, and other information regarding this permit action, will be available for public review during the informational session preceding the hearing and during normal business hours at the KDHE office at 1500 W. 7th, Chanute. Additionally, the permit application may be viewed at http://www.kdhe.state.ks.us/waste/bwm\_sw\_public\_notices.html. Contact Charles Bowers at (620) 431-2390 for more information or if you have questions regarding the permit.

The proposed Vilela C&D Landfill, L.L.C. landfill site is located one-quarter mile north of 540th Avenue on 250th Street, in the Northeast Quarter of the Southeast Quarter of Section 27 of Township 30 South, Range 25 East, east of Pittsburg. Only construction and demolition waste materials, as defined by Kansas statutes, would be allowed for disposal at this site. The total area of the disposal site would be about 22 acres, with an estimated capacity of 468,000 cubic yards. With this capacity, the landfill would be expected to operate more than 25 years.

Anyone wishing to comment on the permit should submit written statements postmarked not later March 24 to Charles Bowers, KDHE, 1500 W. 7th, Chanute, 66720. KDHE will subsequently respond to all formal comments in writing. After consideration of all comments received during the hearing, KDHE will make a final decision on whether to issue the permit. Notice of the decision will be given to the applicant, to individuals who provide written comments or testimony at the hearing, and to those who request notice of the final permit decision.

Noncontact cooling water is commingled with the treated wastewater prior to discharge. Total average daily discharge is about 0.24 mgd. Clarifier discharge to the equalization basin is designed as sub-outfall 001a. Clarifier sludge is thickened in a gravity thickener. Thickener effluent is passed through a pressure filter and recycled back to the starting point of the WWTP. Sludge is disposed in the Rolling Meadows Landfill. Domestic waste is discharged to the city sanitary sewer. The proposed permit includes limits for total suspended solids, total cyanide, total residual chlorine, oil and grease, total cadmium, total chromium, total copper, total lead, total nickel, total silver, total zinc and pH. The monitoring of phosphorus, sulfate, chloride and effluent flow also will be required. Testing for total toxic organics is required annually.
